BOARD ACTION: Trustee Fink moved, supported by Trustee Rhynard, to table action on Corner Lot Accessory Building Amendment. Motion carried.

ZACH RUDAT – CLINTON COUNTY COMMISSIONER

Zach Rudat – Clinton County Commissioner reported on the following issues:

- A \$15 million ROBIN Grant to expand broadband access throughout the county is underway and expected to be completed in Q1 of 2025, and roughly 3,600 locations in the county will gain access to high-speed internet once the work is complete in 2026.
- Updated contract with Clinton County Sheriff reflects updates in deputy wages since the last contract was signed in 2017.
- The estimated cost to replace the county jail on Townsend Rd. would be \$91 Million.
- Live streaming County Commissioner board meetings will begin starting with committee meetings on February 20th. The YouTube page is not yet created, but I'll make a point to share with you all once it's up and running.
- The Board had to update our Personnel Policies to reflect the upcoming changes to the state's Earned Sick Time Act. The changes are set to go into effect on Feb 21st, before our next board meeting. If serious amendments are made to the act before they go into effect, the board authorizes our Administrator to amend the policy as needed to comply with the law.

- The Board was also presented with a new ordinance from the Planning Commission on noise produced by wind turbines. The ordinance was tabled for the day and will be taken up at our next meeting, but I fully support it.
- A long-term top priority is looking into ways the County can assist townships interested in taking over their own zoning. With our current body, I'm confident we have a board that's mindful of protecting and defending our farmland

CORRESPONDENCE
